Candy Grams:

Dawn volunteered as the coordinator. Students in band (7th graders) will coordinate this. They will sell candy canes after school, to be delivered during home room before Christmas break. The kids will order them to be sent to someone. Dawn wil contact Mr. Mela for dates to sell them afterschool (preferably 3 dates) and also a date for the kids to deliver. This is a good fundraiser, in the past they have made as much as \$240 profit.
