If you are taking an instrument up for a senior, please make sure that the instrument and its case are under their chairs up on the field and then set their instrument up for them (and tune them!) and place carefully on their chair so all they have to do is to sit down and play. Sr. instruments will be in hallway and marked. Please remember to bring them back at the end of graduation so the kids can pick them up. For sections leaders tune to tuners- then tune your sections.

Chorus-meet in the auditorium at 3:15 sharp. We will quickly warm up and sing through the piece. If not in band, you are to sit as close to an exit in the stands as possible as you will be joining us from the stands.
