

World Class Vacations by WorldStrides Promise to You...

BEFORE THE TRIP...

We will provide a Full Refund on amount paid on any school trip, should there be a CDC Travel Ban to Florida, similar to the 2020 CDC Travel Ban, due to the coronavirus impact or any State Department warnings not to travel to Florida, provided school wishes to cancel the trip or should World Class Vacations need to cancel the trip.

DURING THE TRIP...

If a member of your group becomes ill and is diagnosed with COVID-19 while on a World Class Vacations by WorldStrides program, we will be there every step of the way, from helping to secure the necessary care, to covering the costs associated with necessary transportation and medically-required quarantine. If requested, we will assist in making travel arrangements for a family member(s) at families expense.

We need your help too. We will ask all participants to commit to care for your fellow participants by acknowledging any symptoms you may be experiencing prior to travel.
